New Tofino development set to open next weekend

CanWest News Service

Published: Saturday, May 19, 2007

A new development in Tofino is set to debut next weekend. The Shore will include 27 steel and concrete condominiums, a restaurant and retail space. Located at the old B.C. Packers Wharf on Tofino's Main Street, the project will open this stretch of waterfront to the public for the first time.

With views of Clayoquot Sound and Meares Island, the Shore is expected to attract more attention to one of the West Coast's most sought-after destinations.

The Shore's presentation centre, at 150 Fourth St. in Tofino, opens to the public May 26 at 7 p.m.
